Jezebel

{jez'-uh-bel}

Jezebel, d. c.843 BC, was a Phoenician princess and wife of Ahab, the king of Israel. According to 1 Kings 16:31, Jezebel was the daughter of Ethbaal, king of Tyre. She was a worshiper of Baal and introduced the worship of Baal into Israel. She also persecuted the prophets of Yahweh. She was killed by her husband's servant, Jehu, who was acting on the order of King Jehu. Her body was eaten by dogs, as Elijah had prophesied.
